AT THE RED PUMP

About Us

Nestled amidst the outstanding natural beauty of the Ribble Valley, The Red Pump Inn is a charming country retreat dating back to 1756, set at the gateway to the Forest of Bowland.

Our unique wedding venue features a hand-built timber and canvas Wedding Yurt, offering a wonderful space to celebrate with family and friends.

With French-inspired boutique bedrooms, luxury glamping yurts and shepherd huts, the Red Pump can accommodate up to 40 overnight guests.

From the original stone flag floors and oak beams to crackling open fires and stunning countryside views, The Red Pump retains all the character and charm that make it such a special place to say 'I do'.

Rebecca
and the team

With its impressive timber structure, bright and airy interior and rustic charm, the Yurt provides a wonderful space to celebrate with family and friends.

Overlooking open fields with panoramic views stretching from Pendle Hill to Longridge Fell, the Yurt can accommodate around 80 guests, with space for a dance floor, live band and rustic-style bar. Outside, a fire pit and acres of rolling meadow provide the perfect setting to relax and enjoy the surroundings.

The Wedding Yurt

A beautiful hand-built Wedding Yurt for those looking for something a bit '**different**'

Fully licensed for wedding ceremonies, couples can choose to exchange their vows inside the Yurt or outdoors in the meadow, surrounded by the beautiful Lancashire countryside.

Your Wedding. Your Way.

It's your wedding, so why not do it your way?

One of the things that makes weddings at The Red Pump so special is the freedom to create a day that's completely your own.

Bring your own music and decorations, and celebrate exactly how you want to. Alternatively, let our talented chefs take care of the food, whether that's a beautifully prepared wedding breakfast, relaxed sharing boards or a menu created especially for your celebration.

Whether you're planning a relaxed countryside gathering, a traditional wedding reception or something a little different, our Wedding Yurt provides the perfect blank canvas.

And while the choices are yours, you're certainly not on your own. Our team is always happy to offer advice, share ideas and help with those little details that make a wedding truly personal.

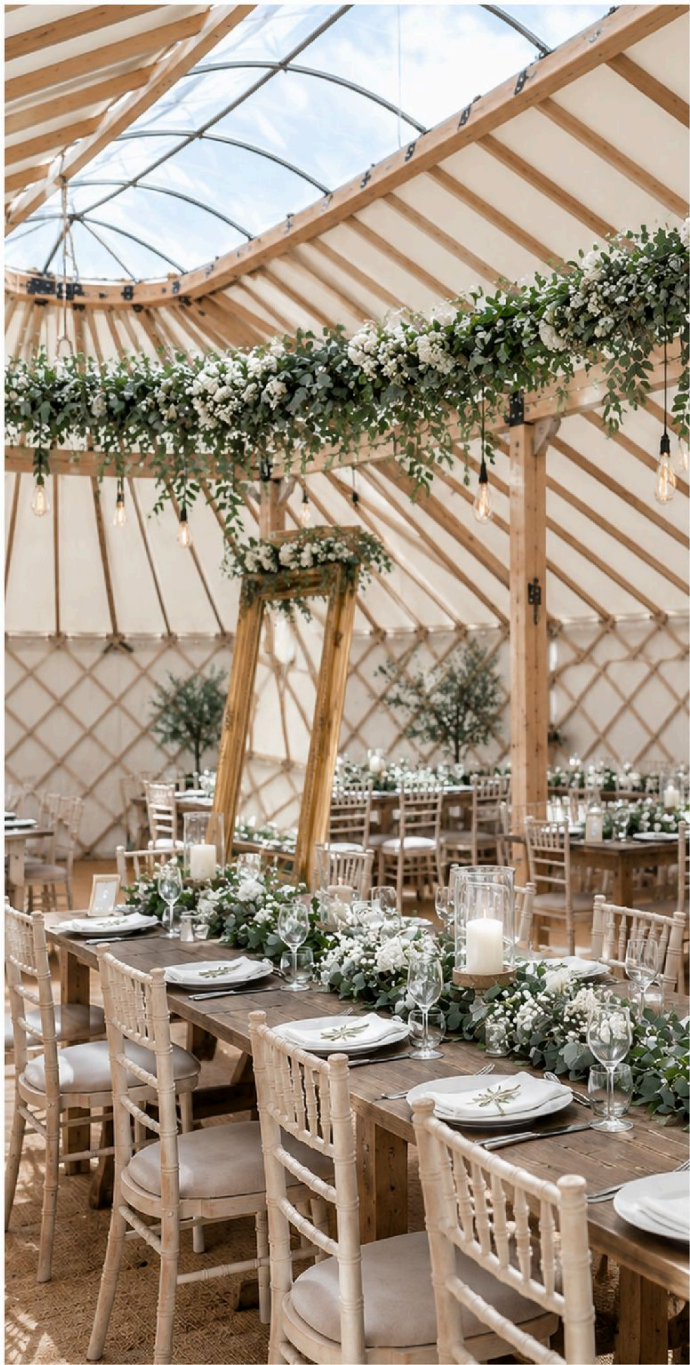

Catering

At The Red Pump, we believe your wedding menu should be as individual as your celebration. Whether you're planning an elegant three-course wedding breakfast, delicious canapés, relaxed sharing boards, a generous buffet or an outdoor BBQ, our talented chefs can create something to suit your tastes, style and budget.

Our bar can also be tailored to your celebration, with a carefully selected range of wines, cask ales, lagers, spirits, cocktails and alcohol-free alternatives.
